Eden DM appoints a permanent Executive Manager for Community Services

Congratulations to Mr Clive Africa on his permanent appointment as the Eden District Municipality Executive Manager: Community Services. The move from a contract position to permanent for this position was effective on 1 August 2017, Africa has been employed as the Executive Manager of Community Services for the past 9 years in accordance with Section 57 for the Local Government: Municipal Systems Act, 2000 (Act no. 32 of 2000).

According to Section 57, a person to be appointed as the municipal manager of a municipality and a person to be appointed as a manager directly accountable to the municipal manager, may be appointed to that position. This is done in terms of a written employment contract with the municipality complying with the provisions of this section and subject to a separate performance agreement concluded annually.

It was decided by the Eden DM Council earlier this year that the position of the Executive Manager: Community Services, should be advertised and made permanent. Later after short listing of applicants took place, interviews were conducted and Africa performed the best out of five shortlisted candidates.

He now moves over to a Section 56 position, which means that he is permanently employed, but still accountable directly to the Municipal Manager of Eden DM, Mr Monde Stratu.
