

Internship Opportunity (x2)

Thursday, 11 January 2018

Last Updated Thursday, 11 January 2018

Candidates from the district municipal region (preferable from previous disadvantaged communities), who have already obtained an appropriate three-year tertiary qualification in a financial field, are invited to gain practical experience in Local Government financial management. This reform project is an initiative of National Treasury and is aimed at capacitating and training young graduates, up to the age of 35, for a career in Local Government Finance.

PERIOD: Two (2) Year Contract

STIPEND: R10 000 per month (all inclusive)

FIELD OF STUDY: Local Government Finance
