"100 Nelson Mandela Centenary 2018" celebrations

In honour of Madiba and in celebration of the "100 Nelson Mandela Centenary 2018", approximately 50 (fifty) officials of the Eden DM Expanded Public Works Programme (EPWP) visited the Rosemoor Rotary Old Age Home, to assist caretakers with their daily activities. Some of the tasks performed were the pruning of trees, spading of the garden soil and cutting of grass. Female officials washed the walls, windows and bed linen. The team also restored the fireplace of the Centre.
